Year 6 Topics For Spring Term 2018

Art

Cross curricular links to History. Children to study portraits of important figures in The English Civil War. They will then learn about the process of drawing a portrait and a self-portrait.

English

A range of Narrative, (story writing and book studies), Non-Fiction (biographies and recounts) and Poetry.

RE

The Gospels
What are the special times in my life and why are they significant?
What can I learn from reading the gospels?

Maths

Counting, partitioning and calculating. Securing number facts, understanding shape, handling data and measures; written methods of calculation.

PSHE

Moving on – transition work
Consider how people deal with transitions and what skills we need to develop to be able to cope with these changes.

D&T

Links to the John Muir award. (Possibly making bird boxes or weaving willow).

MFL

French

Food and ordering in restaurants.

PE

Indoor – gymnastics

Outdoor – Striking and Fielding

Music

Roundabouts.

Science

Evolution and inheritance.

Children to learn how species have evolved through natural selection. Children to become familiar with Charles Darwin, understanding how his findings changed human understanding about our origins.

Computing

Programming

E-Safety

Humanities
History

A significant turning point in British history (post 1066).

The English Civil War.
