

# 20TH JANUARY 2017

The Year 5 girls have yet again taken on the challenge of writing something for this week's newsletter. The girls chose to report on the new playground equipment.

## NEW PLAYGROUND EQUIPMENT

After the Christmas holidays, the classes were lucky to receive some new playground equipment. As the old toys were left out over the two weeks off, they had become soggy, damp and most of them were broken. The Academy bought some new equipment and used Sainsbury's Active Sports, who kindly donated some sports toys to Mrs Mottershaw, who then gave them to the school. The classes favourite toys have been the Frisbees and bean bags. A big thank you to Maddison, Sophie and Tyler, who are responsible for looking after the equipment and making sure it is returned to the new toy shed safely after break and lunch times.

## ARTHUR ATTENDANCE

Arthur attendance has been back to visit us again this week. During our worship assembly today he announced the class who had the highest attendance.

A big well done to Year 6 for having an attendance figure of 97.69%. Arthur is very excited to spend the week in your class to see what exciting learning is happening.

I wonder which class he will be visiting next week?
