

Art

Develop techniques, including control and use of materials, with creativity. Build awareness of a range of artistic features such as painting, drawing and sculpture.

Literacy

A range of Narrative, (story writing and book studies), Non-Fiction (biographies and recounts) and myths and legends.

RE

WHAT DO I BELIEVE ABOUT GOD?

The Creation story.

What is special in our world?

Why am I special?

WHAT IS SPECIAL TO ME? CHRISTMAS THROUGH THE GOSPEL

What are the special times in my life and why are they significant?

PSHE

New Beginnings

Learning how to cope with new situations; taking on new challenges and Getting on and Falling Out.

Numeracy

Counting, place value, partitioning and calculating. Securing number facts, understanding shape, handling data and measures; written methods of calculation.

D&T

Designing products for a purpose. This will include using raw materials as well as linking with our 3D printer.

Year 4 Topics

For

Autumn Term 2017

MFL

French
Time.

PE

Field sports and gymnastics.

PE will be on Tuesdays and Thursdays.

Music

Linked to topic. Children will discuss sounds from the Anglo Saxons and Scots. They will then use this to create music.

ICT

Programming

Children will learn how to input data into a computer and create designs using the 3D printer.

Science

Sound

Learn about the scientific features of sound. Including how we can manipulate it, sound waves, how sound waves travel and how sounds can be produced.

Humanities History

Children will learn about the Anglo Saxons and Scots. We will learn about influential people from the time as well as looking at historical settlements and events.
