Rather than having weekly tasks, we would like children to read at home as often as possible (minimum 3 times a week) and for this to be recorded in their reading records. Records and books need to be in school daily and books will be changed **weekly (children can have own choice books from the library which they can change as often as they like)**. Once a child has read their book we ask that you encourage them to re-read the books to build up their fluency and expression to become confident readers. Children are also encouraged to read other appropriate material if they wish and this can also be recorded in the record.
