

Year 3 Summer Term Homework

These activities are in addition to our weekly spellings, times table focus and regular reading at home.

Homework Activities

This terms' learning is entitled "Time Travellers" and we will be visiting various periods of history from the Stone Age, to the Romans, right up to people and events in living memory. In science we shall also be looking at our natural world and how it changes.

You can choose from the activities below to do as part of your homework. You should be spending at least 30 minutes on homework each week, but some tasks will take longer than others.

<p>Can you grow the tallest sunflower? Everyone will be given 2 sunflower seeds to grow at home. Decide where you will put them-in a pot or in the garden? In soil or compost? Will you add anything to the soil?</p> 	<p style="text-align: center;"><u>Can you beat Roger Bannister?</u></p>  <p>On 6th May 1954, he ran a mile in under 4 minutes. Can you complete the term in 4 minutes? 1 home read = 4 seconds. You need to read aloud to an adult at home and have it recorded in your reading diary. Bring your diary in daily to have your home reads put on the race track.</p>
<p style="text-align: center;">DT</p> <p>Could you make a model of a Stone Age home? What materials could you use?</p> 	<p style="text-align: center;">Times Table Rock Stars</p> <p>Login to https://ttrockstars.com/login to practise your multiplication tables My login is:</p> <hr/> <p style="text-align: center;">Story Writing</p> <p>What would happen if you came face to face with a person from history? A Roman soldier? Roger Bannister? A Victorian miner? What adventures might you have? How would you get them back 'home' to their own time?</p>
<p>"Stig of the Dump" Illustration</p> <p>Could you draw a picture for a picture of our main character Stig from our class reader by Clive King? What would he be wearing? Holding? Doing?</p> 	<p style="text-align: center;">Get fit and Get Sponsored</p> <p>Get active and try to improve your stamina. We have timed how long it takes each of us to run a mile (4 laps of the park) and we will be timed again just before half term We are collecting sponsors for how much we can reduce our time. Miss Ferris and Year 2 have challenged us to improve their running more than us! No Way!</p>
