SPORTS NEWS

This week saw our Academy represented by our Year 5/6 boys and girls in football teams. First up was the boys who played in the annual Telford & Wrekin tournament, with several new players to the team which was great to see. It was a tough afternoon with several players picking up injuries along the way, but none were deterred and showing determination recovered and re-joined the game. Unfortunately a win was not to be, but we now know our areas for improvement. Well done gentlemen.

The second game saw our girls playing, for many, their first game for the Academy. They were nervous, excited, unsure of what to do and where to go, but WOW by half time they were buzzing. After going 3-0 down Jaiden managed to find the goal with two cracking shots and although they lost 5-2 there was certainly no disgrace in their effort and team play. Great to watch ladies, well done.

Here at the Academy we like to celebrate with our students their success outside of Academy life. This week we saw Jaiden bringing in her trophy which she received from her football team for outstanding play throughout the season. Well done Jaiden.

SCHOOL GAMES AWARDS

Time To Celebrate. Once again the Academy has been awarded Gold in the School Games awards scheme, which measures the opportunities it gives it's students to participate in sport at all levels as part of the curriculum. A great achievement for the 4th year running.

We are delighted to announce that we, Dawley C of E Primary Academy, have achieved the School Games Gold Mark Award for the 2017/18 academic year.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year. We look forward to applying once again in 2019!
