

## Class E and Y 'Let's Build!' Homework Spring 1st Half

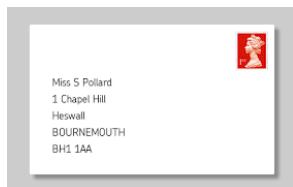

Alongside weekly reading and spelling, here are some optional activities for you to choose from.

### Be a writer

Label parts of your house or rooms in the house e.g. living room, bedroom, kitchen, bathroom and garden.

Practise writing your home address.

Describe your dream house, use lots of lovely expanded noun phrases.

### Be a reader

Read stories related to 'houses' e.g. 'The Three Little Pigs'

Write a book review to share.

### Be an architect

#### **LEGO**

Use lego or building blocks to create a house or room

What about other types of homes?

### Be a geographer

Walk around the local area and recognising buildings.

Draw a map of your street. Are the houses same/different?

Find out about homes in 3 different countries and tell the class all about them

### Be an artist

Try a detailed observational drawing of your own house or create your imaginative dream house

Explore the different textures around your home and do some rubbings of them so we can guess what they are

### Be mathematical

Explore number and number patterns e.g. odd and even numbers by looking at house numbers on your street.

Look for 2d/3d shapes around your home
