PARKING

There have been numerous complaints recently about the parking at the front of the Academy, including some Facebook comments in the local community which we have become aware of. We have met with the Local Council and also the Police in relation to this.

You may have met our new warning sign outside on the road—this is a reminder to all that parking on zig-zag lines is prohibited by all vehicles.

We are also asking that **NO** cars are parked on the double yellow lines directly outside the Academy, this includes 'Blue Badge' holders (left hand photo).

As part of **Safe and Responsible Parking** we advise that cars should not be parked where it would **endanger, inconvenience or obstruct pedestrians or other road users**—this includes areas such as 'school entrances'. If cars are parked directly outside the front of the Academy, at times when the road is busy, this can cause safety issues for your children and other road users.

This is an unusual step for us to take and we have, as you know, had to seek the support of the local PCSO and council to help us enforce this.

The parents we have spoken to are supportive of this change and we know that you understand we make these decisions for the health and safety of your children.

As you are aware there is free parking at the top of the road, which we advise you to use. We will review this decision over the next few months.

Think before you park!
 Illegal and irresponsible parking can put lives in danger. Remember the following:

 No parking or waiting during school hours.	 No parking or waiting at any time.
 Parking at restricted times only.	 Parking on footpaths/corners/junctions creates a dangerous obstruction to pedestrians and other drivers.

If you choose to ignore this advice you may be prosecuted.
 The safety of your and other people's children is far more important than finding a close spot to leave your car. Always think before you park.
