

Geography

What's It Like in Whitby?

What Goes On in Whitby?

Aim

- I can compare the human geography of Whitby with that of my own area.

Success Criteria

- I can explain the difference between human geography and physical geography.
- I can tell you about the human geography of Whitby.
- I can identify similarities and differences between the human geography of Whitby and where I live.

What Are Physical and Human Geography?

What kinds of features of a location do you think are in each category?

Physical Geography

Oceans

Lakes

Mountains

Rivers

Coastlines

Weather and climate patterns

Or... anything **natural**

Human Geography

Country/region boundaries

Buildings

Roads

Changes to river courses

Cultural aspects such as language, religion, government, art and music.

Or... anything **humans created**

The Human Geography of Our Area

What different features can you spot on this map?

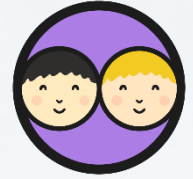

How could we find out more?

Human Geography of Our Area

Name of area	Population	Main Types of Land Use		
		<input type="radio"/> Residential	<input type="radio"/> Business	<input type="radio"/> Leisure
		<input type="radio"/> Industrial	<input type="radio"/> Retail	<input type="radio"/> Agricultural
Famous People	Historical Information	Landmarks / buildings	Other important information about the area	

The Human Geography of Whitby

Use [Wikipedia](#) to find out more about Whitby.

Challenge:
Have a look at [Local Histories](#) and [Whitby Online](#) to find out about Whitby's economy and history.
