

Our Future. Our World.

Jungles

This learning is linked to prior learning, I am hoping this provides comfort and enables you all to feel confident in exploring this subject and expressing your understanding.

The WWF website has compiled some wonderful resources and Sir David Attenborough has narrated the incredible clips.

Follow this link and watch and learn more about jungles

<https://www.wwf.org.uk/learn/love-nature/jungles>

Task 1: Listening retrieval—Watch the clip.

Fill in **resource sheet 1 'Discover the Amazon'** with what you have learned about the Amazon.

Task 2 : Either or

Complete **resource sheet 2 'Animal fact file'** with information about a jungle animal of your choice.

Either complete your own research or use the **Amazing Amazon factfile** to find out about different species.

OR

Write a riddle about a Jungle animal. Using **Amazing Amazon factfile** find out how it moves, where it lives, it's size, what it eats, it's colour, what makes it special? Can your families guess the animal?

Message me with your riddle— see if I can get it!

Task 3: Comprehension

Open the **Jungles comprehension worksheet**—use the link, explore the globe and answer the comprehension questions. Use the helpful **our jungles info** sheet to help you.

Challenge!

Share what you know about how important jungles are by:

- **Creating a poster**
- **Making a leaflet**
- **Posting a heartfelt blog post**
- **or deliver a short presentation to your families!**

Get the message across!
