Success Criteria

- I can tell you what planning is needed for a trip in the UK.
- I can find information about travel options using a given website.
- I can find information about accommodation using a given website.
- I can find information about tourist destinations using a given website.

Where Have You Been?

Tell your partner about a trip you have been on recently:

- A school trip
- A visit to the cinema
- A holiday
- A day out with family or friends

What did you need to do before your trip?

What did you take with you?

How did you travel there?

What did you do when you got there?

Planning a Trip to Our Town

How would a visitor get to our town?

Where would they stay?

Use the Internet to find out about train travel and places to stay in our town.

What would they do when they arrived? Think about activities, places to visit, places to eat...

Planning a Trip to Our Town

Plan a trip to the town we live in by filling in this table. Use the internet to help research information.

Name of Area	Travel Details	Accommodation Details
