

# Our Future. Our World.

## Frozen World

This learning is linked to prior learning, I am hoping this provides comfort and enables you all to feel confident in exploring this subject and expressing your understanding.

The WWF website has compiled some wonderful resources and Sir David Attenborough has narrated the incredible clips.

**Follow this link and watch and learn more about our frozen world.**

<https://www.wwf.org.uk/learn/love-nature/frozen-world>

**Task 1: Explore** Watch the clip and explore globe to find out as much as you can.

Use **resource sheet 1 '1.Frozen world links to the video, globe and questions'** answer comprehension questions and show what you have learned about frozen habitats.

**Task 2 : News report**

Using **resource sheet 2 '2.News report task'** create a news report highlighting the difficulties faced by animals in polar regions - especially the human impact. Use the **mind map template** to organise your thoughts.

**Write out your news report and practise reading it aloud in a reporting style!**

**Remember your use of formal language and channel your very best Attenborough!**

## Challenge!

**Can you deliver your news report to your family?**

**Could you film it and share it with us via email or the 5/6 padlet?**
