

Thursday 22nd October

Learning Context: Instructions

Learning Objective: To edit and improve my work.

Look back at the instructions you wrote yesterday.

Can you find ways to improve your work?

Look for spelling mistakes.

Have you started your sentences with capital letters?

Have you used full stops at the end of your sentence?

Can you think of better words to use?

I.E. 'put on jam' could be changed to: 'spread the jam'.
