CHRISTMAS CARDS

We will be accepting Christmas cards into the Academy this year. These will be quarantined for at least 48 hours before they are handed out. Please could we ask that you **do not** lick the envelopes and tuck them in instead.

NEW ADDITION

Year 2 welcome a new member to the class this week. Fudge the hamster is settling in nicely and enjoying exploring his new home.

UNIFORM

Please could we ask all parents/carers to name their child/rens uniform, and to check your child/ren have come home with the correct uniform. Also please be reminded that our PE kit is a white polo top, black jogging bottoms and trainers or black plimsolls.

COVID TESTING

Can we remind parents and carers that it is important for you to inform the Academy directly if you or a member of your household shows symptoms of COVID-19. If you have taken a COVID test (either via 119, online or via the app) and this has come back positive, you **must** inform the Academy directly. Please either email a3317@telford.gov.uk or phone the Academy direct on **01952 386280** or alternatively **07966 300241** if it is in the evening or at the weekend. Doing this will allow us to take the necessary steps to protect everyone in the school community.

SELF ISOLATION

Can we remind parents that if you or a member of your family are instructed to self-isolate, you **MUST** do this. If you are responsible for dropping a child off or another member of the family is, we advise that any person who is asked to self-isolate does not do this and alternative arrangements are made. You or the person asked to self-isolate **MUST NOT** leave their household.

Anyone who is concerned can call the Police on **101**. There is currently a fine of up to £1000.

SOCIAL DISTANCING DURING NATIONAL LOCKDOWN

We are currently in a National Lockdown. You must not meet with another person socially or undertake any activities with another person. You can exercise or meet in a public, outdoors space with people you live with, your **support bubble** (or as part of a **childcare bubble**), or with one other person.

You should minimise time spent outside your home. When around other people, stay 2 metres apart from anyone not in your household - meaning the people you live with - or your support bubble. Where this is not possible, stay 1 metre apart with extra precautions (e.g. wearing a **face covering**).

You must not meet socially indoors with family or friends unless they are part of your household or support bubble.

A **support bubble** is where a household with one adult joins with another household. Households in that support bubble can still visit each other, stay overnight in each other's households, and visit outdoor public places together.

You can exercise or visit a public outdoor space:

- by yourself
- with the people you live with
- with your support bubble
- or, when on your own, 1 person from another household.

Children under 5, and up to two carers for a person with a disability who needs continuous care, are **not** counted towards the gatherings limit on two or more people meeting outside.
