

Alfred the Great

My name is King Alfred. I was an Anglo-Saxon king from 871 to 899. I did such a terrific job as king that I was named 'Alfred the Great'. Can you find out six ways in which I was **GREAT**? (There are loads more but start with six!)

Think about these questions:

- ❖ In what ways did Alfred help unite England?
- ❖ In what ways did Alfred help the people of his country?
- ❖ In what way was Alfred different to other kings at the time?
