

Year 4

Spring 1 Homework Schedule

Reading

Children have chosen books from our library to enjoy with you and can change these on a Friday if they wish to.

Please try to read at least 3 times a week at home. Number of reads will be recorded on a Friday, time to get competitive!

Children also have books in school and will be encouraged to read daily.

Times tables

Times table knowledge will be crucial in covering multiplication and division this term.

Use Purple Mash, TTRockstars or learn them on the way to school!

Topic

- Can you crack the hieroglyphic code? Write a message in hieroglyphs and put the picture on Padlet?
- Devise an ideal healthy eating plan for yourself using all food groups.
- Compose your own 8 bar percussion piece using crotchets, minims and semibreves? Can you write it down?

Padlet QR code:

Upload pictures of any projects, work or achievements your child would like to share with the class by scanning the QR code and posting on our Year 4 Gallery!

Year 4

Spring 2 Homework Schedule

Reading

Children have chosen books from our library to enjoy with you and can change these on a Friday if they wish to. Please try to read at least 3 times a week at home. Number of reads will be recorded on a Friday, time to get competitive! Remember you also have access to our Oxford Owl class Library! Children also have books in school and will be encouraged to read daily.

Times tables

Times table knowledge will be crucial in covering multiplication, division and fractions this term. Use Purple Mash, TTRockstars or learn them on the way to school!

Topic

- Celebrate World Book Day by writing your own book reviews. Send them to me to submit online!
- Survey the electrical appliances in your home. What do you notice? Read the labels. What uses the most electricity? What is used most often?
- Make your own instrument to play using items from the recycling? Is it percussive? String? Wind?
