3. Barriers to future attainment (for pupils eligible for PP)	
<b>In Academy barriers</b> ( <i>issues to be addressed in school</i> )	
A.	Some pupils may not be working at an age related level and have gaps, misconceptions or SEN
B.	Gaps in learning post C-19 lockdown, especially for those pupils who had limited access to resources
C.	Some pupils have limited early reading skills or do not read frequently.
D.	Some pupils are not emotionally ready for learning
<b>External barriers</b> ( <i>including issues which also require action outside school, such as low attendance rates</i> )	
E.	In some cases, consistent attendance and punctuality

<b>F</b>	In some cases, access to resources and wider life experiences	
<b>G</b>	In some cases, a lack of regular routines including home reading, spellings	
<b>4. Intended outcomes</b> ( <i>specific outcomes and how they will be measured</i> )		<b>Success criteria</b>
<b>A.</b>	Some pupils may not be working at an age related level and have gaps, misconceptions or SEN:  To ensure classroom teaching is pitched accurately and of high quality to meet the needs of disadvantaged pupils so they make at least expected progress and meet or exceed national expectations.	Pupils will meet or exceed age related national expectations in English and maths PP pupils make at least expected progress. Support staff will support learning effectively. Additional interventions sessions will take place based on gaps/need. Local Academy Committee members are able to articulate the impact of the pp funding to address gaps in attainment and progress. Assessment data will show an improvement from Summer 2019
<b>B.</b>	To baseline and analyse data, identifying gaps in learning Catch-up curriculum to be put into place in order to close gaps caused by COVID lockdown Identification of areas for intervention across the Academy	Baseline identifies the gaps in learning Additional interventions sessions will take place based on gaps/need. Recovery curriculum established and tailored to the gaps and needs identified by baselines carried out Children will make progress towards gaps identified in the baseline
<b>C.</b>	Phonics teaching is embedded within all lessons in Reception, Year 1 and 2. To embed and sustain a reading culture across the whole Academy Pupils have access to high quality texts within guided reading. Guided reading texts are pitched appropriately.	Yr1 pupils passing phonic screen will continue to be in line with national figures. PP pupils will read 3x per week.
<b>D.</b>	Pupils are emotionally ready to access learning and progress of these pupils is in line with others.	Disadvantaged pupils receive additional support for emotional, health and well-being needs PP pupils make at least expected progress. Small group meet and greets (first thing, after lunch, before home-time and additional trigger points when needed) Governors are able to articulate the impact of the pp funding to address social and emotional needs

<b>E.</b>	Disadvantaged pupil attendance to improve and be in line with others. Disadvantaged pupils attendance to be in-line with national expectations	All disadvantaged pupils will match or exceed national averages for non-disadvantaged pupils. The school will contact parents proactively if attendance slips Breakfast club places offered to priority pupils Attendance targets will be a feature of all parent meetings and internal Pupil Progress Meetings. EWO impacted noted in attendance improvements via home visits and support in meetings
<b>F.</b>	Pupils are exposed to a range of social, cultural and sporting experiences The Academy will deliver an engaging, broad and varied curriculum that develops pride and knowledge in the local area.	Pupils attend visits/events they would not normally be exposed to within and outside of the school day PP participation in clubs/events remains at or increases beyond 90% Governors are able to articulate the impact of the pp funding to improve wider opportunities for PP pupils. Activity passports created to ensure that all pupils have opportunities to try new and varied experiences

5. Planned expenditure					
Academic year					
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.
